AFI 31-601, 1 April 1996, Industrial Security Program Management, is supplemented as follows. This supplement also applies to USAFR units on the installation.

1.4.1. The base Information Security Program Manager (ISPM) will monitor security issues and participate, as required, in the entire process for all projects involving security information.

1.4.1.1. (Added) All tenant units on Charleston Air Force Base will notify the base ISPM of all classified contracts issued to them through their parent command. They will also forward a copy of the DD Form 254 (Contract Security Classification Specification) to 437 SPTG/SFAI.

1.4.2. (Added) The 437th Contracting Squadron (437 CONS/LGC) will ensure the Chief, Security Forces is promptly notified of any classified contract proposals on the installation.

JEFFREY W. HARWOOD,
Colonel, USAF
Commander, 437th Support Group
